RAILROAD RATES.

A RATE OF ONE CENT A MILE has been made by all roads east of the Mississippi River and south of the Ohio and Potomac Rivers, including the line of the C. & O. Railroad. This means one cent for every mile traveled, coming and going.

From all points in Arkansas and Texas, to either Pine Bluff or Little Rock, Ark., the rate will be one fare for the round trip. From Pine Bluff and Little Rock, the fare will be one cent a mile.

The time limit on tickets returning has been fixed at June 10. This limit can be extended to June 25, by presenting tickets to the Joint Railroad Agent at Louisville ON OR BEFORE JUNE 2, and on payment of 50 cents.

Tickets will be sold from points in Kentucky and Tennessee on May 28, 29 and 30, and from other States on May 27, 28 and 29.

Special round trip rate from Washington, \$13.25. From other points in the East, one fare to Washington.

Special rate from St. Louis, round trip, \$6.50, and from Chicago, \$8.00.

AT THE DEPOT.

If you are not thoroughly familiar with the city, stop at the Information Bureau in the depot after you leave the train. All necessary information will be furnished here, and a messenger will guide you to your State Headquarters, if desired.

Members of the Information Committee will be scattered about the city, willing and ready to render all assistance possible. If you want to know anything, do not hesitate to ask a member of this committee (known by his badge). If no committeeman be in sight, ask any citizen, and you will receive a courteous answer.

BAGGAGE.

Confine your baggage, if possible, to hand valises. If you must bring a trunk, the best plan will be to ship it ahead by express.

AS TO QUARTERS.

In the back of this pamphlet will be found a list of hotels, boarding houses, private houses, restaurants, etc., where Veterans and visitors with them can find quarters.

Expectant visitors and Veterans are urged to write to the Chairman of the Hotels Committee, G. E. Johnson, 436 West Jefferson Street, at the very earliest moment, requesting that quarters be reserved. Give the exact number that will be in your party, the number of ladies, if any, and the best rate you can pay per day per person for accommodations. Quarters will then be assigned you, and you will be notified of their location by mail. This is very important.

DO NOT WRITE FIRST TO BOARDING HOUSES. In many cases parties have already been assigned to boarding houses in the list printed. Especially is this the case with the lower priced places.

FREE QUARTERS.

The Reunion Committee will provide free sleeping quarters for Veterans only who may be unable to pay

their way. These quarters will be on cots in halls and public buildings.

To secure free quarters, it will be absolutely necessary to report first at your State Headquarters, where tickets will be issued. It is not necessary that you be a member of a Camp to secure these quarters, but they will only be provided for Confederate Veterans.

HEADQUARTERS.

General Gordon and staff will have their headquarters at the Louisville Hotel, Main Street, between Sixth and Seventh.

General J. M. Poyntz, of Kentucky, with his staff, will have headquarters at the Louisville Hotel.

A building for headquarters will be provided for every State. Veterans are urged to go to their State headquarters immediately on arriving at Louisville. Badges, etc., will be issued by State or Camp Commandants or Adjutants at these State headquarters. A list of such headquarters, and their locations, will be found in the front of this pamphlet.

CONFEDERATE REUNION HALL.

This hall will be located at Sixth and the River Front. It will have a seating capacity of 10,000. Here the important meetings will be held. The hall is almost in the center of the city, within walking distance of every big hotel, and near every street car line.

THE EXECUTIVE COMMITTEE.

This Committee will have its permanent headquarters at 436 West Jefferson Street, between Fourth and Fifth.

MAIL.

In order to insure quick delivery of mail, instruct your friends to address your letters care of your State Headquarters. You can have your letters addressed thus, whether or not you are a member of a Camp. There will be a comrade at every State Headquarters to look after mail.

GUIDE TO LOUISVILLE.

A comprehensive map, showing location of important points in the city, hotels, street car lines, etc., is mailed with this pamphlet. Study it carefully, and you will get a good idea of the city.

Where to Get Quarters

HEREWITH is printed a list of hotels, boarding houses, private houses, restaurants and halls where Veterans and visitors will find accommodations.

Visitors are urged to communicate with the Hotels and Accommodations Committee before coming to Louisville. Do not write direct to boarding houses, as their space may have been assigned already. Write to the Hotels Committee Chairman, giving the number in your party, the rate you desire to pay per day, and about the location you prefer, if you are familiar with the city. Do not fail to specify the number of ladies that will be in your party.

Where husband and wife desire a room to themselves, rates will be in many cases higher than those given, as these printed rates are based on three and four persons in one room.

The Louisville Hotel has been selected as headquarters for General Gordon and staff.

The numbered streets of Louisville run north and south; the named streets east and west. Numbers run 100 to the block. Thus, a house No. 100 Main Street would be on the corner of First and Main Streets. No. 615 West Broadway would be between Sixth and Seventh Streets.

In the list below, the number of persons that can be entertained is given. B and L means board (meals) and lodging; B means meals alone; L, lodging alone. The figures after B and L indicate the price to be charged for one day's meals and one night's lodging. The figures after B indicate the price for each meal; the figures after L indicate the price of a night's lodging alone. In many cases hotels and boarding houses can furnish meals to a larger number than they can provide sleeping quarters for. In these cases, the name is usually duplicated—the first line showing the number that can be accommodated in full, the second showing the number additional that can be fed.
